Z Sport

The workhorse of the Z Series is the Z Sport which offers all the technical feature and improvements of the new Z line. Clean, essential and simply decorated with chain border, Z Gun logo in gold relief on action sides and back and non-glare stippled top, the Z Sport is offered in sporting clays, skeet and trap configurations and comes with extra sets of interchangeable barrels on request.

Select from a very durable, corrosion resistant silver finish or deep blue finish for frame and furniture. Stocks are in select turkish walnut, finely checkered and finished in easily renewable oil.

Z-Extra

Featuring the same trigger mechanism as the Z Sport, the extra grade offers almost full coverage deep scroll engraving with flower badges.

The Z Gun logo inlaid in gold on both action sides stands out very nicely on the french gray finish, all configurations are available from sporting to trap.

Stocks are of extra fancy turkish walnut finished in our easily rejuvenated oil finish, top ribs have a special non-glare laser checked finish.

The extra comes with stock and barrel socks in a robust silver-color three combination lock case.
